Rollhaus Seating Products, Inc.

Your Complete Source for Restaurant Furniture

Rollhaus Seating Products has been manufacturing restaurant and commercial furniture for over 65 years. Our experienced and practical designers can help create the desired atmosphere for your restaurant, diner, lounge, bar, cafeteria or special location.

Rollhaus Seating Products' reputation is built

on skilled workmanship, reliability, and economical prices. We are always available to visit your establishment to suggest a layout and design for your facility and to provide a quotation free of charge. Our factory and showroom are easily accessible in Long Island City. We are located right outside the Queens Midtown Tunnel (Borden Ave. Exit 13) and 2 stops from Manhattan on the #7 train (Hunters Point Ave.).

In this brochure you can see a few of the attractive designs that embody the comfort, quality, and good taste we have
